

Dear Valdosta FUMC Family,

You are receiving this letter either shortly before or shortly after the kick-off of our **Under This Roof** Capital Campaign, which began/will begin Sunday, March 1st. What an exciting time in the life of our church!

Enclosed you will find a description of the campaign, its purpose and goals. In essence, the goals of our campaign are (1) to care for our beautiful historic facilities, (2) to expand our ministries to better serve our church family and our local community and (3) to start an endowment fund for our future financial security.

A packet of more detailed questions and answers can be found in the church office and also on our website. In the coming weeks, we will have campaign speakers and updates in church services and in Sunday school classes. I invite you to learn all that you can about the campaign and its goals and to prayerfully consider your part in it. We hope that every member of our congregation will join us in a three-year pledge, contributing everything they can to the future health and growth of our church and to the glory of God.

You will find a pledge card enclosed for your use. Please return it to the church office or place it in an envelope in the offering plate. Members of our campaign committee are happy to meet with you in your home or your place of business should you desire. Just let us know. Also feel free to contact me with any questions at 229-563-5215.

Pledges and donations began arriving in our office before year end 2019. We have already received donations and pledges totaling \$565,201.44 which is 31 % of our goal! Please view our website for the latest campaign totals to date. God has certainly been very generous to all of us and it is now time for us to be generous back to Him!

We ask that all pledges be turned in to the church office by Palm Sunday.

Thank you in advance for joining your church family in the **Under This Roof** Capital Campaign. With its success, we will be positioned to love, grow and serve Our Lord, our Church family, and our Community as never before!

In Christ,

Hansell Watt
Chairman, Capital Campaign Committee
